Price List for:

LEWIS NURSERIES, INC.

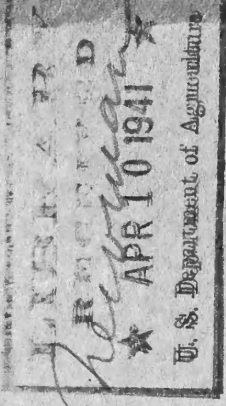

Northern Boulevard

(25A)

ROSLYN, LONG ISLAND

Roslyn 256

*U. S. Dept. of Agriculture
Bureau of Plant Industry
Washington
D. C.*

IMPORTANT!

All stock included in this list is of specimen quality, and will be dug carefully by men who have had several years experience in the nursery. We invite you to inspect our stock at any time. You are welcome to show your clients through the nursery.

Prices listed are for the stock dug and loaded on the customer's truck at the nursery. Where the list shows a range in price on any item, trees will be individually priced on selection. Prices are subject to change without notice.

Terms are 30 days to those who have established credit with us. Interest at six percent per annum will be charged on overdue accounts.

Platforms taken from the nursery will be charged to the customer. We will make truck deliveries at reasonable rates. We will quote on stock in the ground at the nursery, customer to dig where there is a sufficient quantity taken from one block.

We have a considerable variety of large and rare specimen stock in small quantities which we have not listed here. We invite your inquiry about such stock.
